Our Services Manufacturing

Kranon Holdings manufacturing provides the foundation for many kinds of innovations. We ensure that our manufacturing processes are not immature or the know-how needed to develop the product or process to produce the product is tacit and not well codified. Our aim to satisfy our clients, contribute to the economy and actually see the outcome of your work in a tangible object.

- PPE manufacturing and supply (manufacturing of hospital wear, hospital gowns, coveralls, scrubs, both disposable and reusable)
- Manufacturing of specialised clothing including uniforms and workwear (made to client specifications)
- Branding and embroidery
